Roblox provides wireless headsets in the form of headphones and microphones. This enables players to communicate through the game, chat with other Roblox users, and play games with other players. In some online games, players are able to play "mini-games" such as "Horseball" that involve shooting a ball across the screen to attack another player. However, in Roblox, mini-games give physical feedback from hitting objects in the game world; for example, when they jump off a ledge in an abandoned mine shaft.

On June 26, 2021 (4:00 PM), ROBLOX released a new website design. The new design was made with a goal to have access to the latest news, showcase new games, and improve features in the forums.

This will work on all of the ROBLOX games because it is an official application so that makes it even better. It is completely safe to use as well so there shouldn't be any problems with it after all. Also, the generator is powered by advertisements so you might encounter a lot of ads after you have connected your account with the generator. Just click on "Generate Robux" in order to start generating free robux for roblox.

Robux are the primary currency in Roblox. They can be used to purchase a variety of clothing, accessories (such as hats and T-shirts), tools, gear (backpacks, jet packs, and recovery kits), armor (vests and helmets), vehicles, special movement abilities (for example flying or invisibility), decals (decorative symbols which can be placed on vehicles or buildings) and more. The minimum one-time purchase of Robux is US\$4.95 (\$5 Note: this price has been around since 2021 but was not posted until 2021). Many items require substantially larger sums to afford them.

On December 20, 2021, a 12-year-old girl in Las Vegas named Arielle De La Rosa was banned from Roblox for what she believed was a "harassment campaign". She had created a character named Emily Roe that she used to bully another player online. The bullying campaign went on for over a year until it came to her parents' attention and they contacted Roblox about it. The harassment campaign violated the Child Online Privacy Protection Act (COPPA). Her parents encouraged her to create a character named "Emily Roe" and they hoped that this would help her get unbanned from Roblox.
